

Price overview for photographic material available from Museum Boijmans Van Beuningen

Prices include 6% VAT, postage and packing and handling costs.

Picture material (in stock)

High resolution (300 dpi)	€ 75
Low resolution for PowerPoint, etc.	€ 25
Ektachrome (if in stock)	€ 100

NB delivery time: In the case of urgent orders for picture material in stock (within a week after payment of the invoice), the price of the picture material is doubled.

Picture material (new digital shots)

Prints and drawings (max. 80 x 60 cm)	
High resolution (300 dpi)	€ 100 or – if higher – the actual costs charged by the photographer
Other objects	
High resolution (300 dpi)	€ 150 or – if higher – the actual costs charged by the photographer
Complex shots and/or special requests	
High-resolution (300 dpi)	Actual costs charged by the photographer

NB Ektachrome: If you would like an Ektachrome picture instead of a digiscan, you will be charged for the costs of the shot as well as the production costs of the Ektachrome.

NB delivery time: For new photographs, the delivery time is at least four weeks after payment.

The additional costs of urgent orders (delivery within two weeks after payment) will be included in the price.
